

## Accessing content via the AtoZ

First you need to click on the link to the service from the Library e-journals webpage at <http://www.marjon.ac.uk/facilities/library/electronicresources/electronicjournals/>

The screenshot shows the Shibboleth login interface for Marjon. At the top left is the Marjon University College Plymouth logo. A central box contains the text: "Here you need to enter your login details to authenticate yourself as a Marjon user". Below this are two input fields for "Username:" and "Password:", with a "Continue" button. To the right, the host name "shibboleth.ebscohost.com" and the message "You have asked to login to shibboleth.ebscohost.com" are displayed. Three colored boxes provide login instructions: a blue box for Marjon students (username = student number, password = 14-digit network password), a red box for Marjon staff (username = staff login, password = normal 14-digit password), and a green box for CPD students (username = 999 number, password = date of birth in DDMMYYYY format, with contact info [echorley@marjon.ac.uk](mailto:echorley@marjon.ac.uk)).

The screenshot shows the "Marjon Library E-journals AtoZ listing" page. It features the Marjon logo and a search bar with a dropdown menu set to "Search in another language". A navigation bar includes links for "Title list", "Advanced search", "Subjects", and "Index of providers". The "Advanced search" section shows a search box containing "british journal of special education" and a "Search" button. Below the search bar is an alphabetical index from "0-9" to "Z". A blue bar indicates "Titles where title name begins with 'A': 875". The first result is "1. 'A Visible Company of Professionals' - 'Acco...". Below this, three journal entries are listed: "A Visible Company of Professionals", "AAACE journal", and "AAIAA journal", each with its ISSN, publisher, and subject information. An orange callout box with an arrow pointing to the search bar contains the text: "Type in the title of the journal you are looking for and click Search. Remember you can only use the AtoZ listing to look for a specific journal title – if you are looking for journal articles on a subject (eg. classroom management), you need to use [our databases](#)".

If we have access to the journal, it will come up in the results list. Then you just need to click the blue link.

Sometimes if we have access through different databases as well as a subscription, there will be multiple links (as for this journal). Just click on whichever includes the year you want to access
